

Because diagnosis matters

REQUEST TO ADD A SARS-COV-2 DIAGNOSTIC TEST TO THE PIPELINE PUBLISHED ON THE FIND WEBSITE

FIND is collating information to provide a publicly available overview of the SARS-CoV-2 molecular and serological tests in development. This pipeline information is directly submitted by test suppliers and is not independently verified. It is published on the FIND website at www.finddx.org/covid-19.

To request that your technology be added to this pipeline, please complete the form below and email it to info@finddx.org.

Note: this form should be used to submit information to be added to the published SARS-CoV-2 pipeline only. If you would like FIND to consider your technology for evaluation, please refer to the open [calls for partners](#), or contact our [technology team](#).
