Long turnaround times for laboratory test results and poor data quality are a chronic problem for many testing services. Timely and accurate testing services for COVID-19 are essential for monitoring the spread of the pandemic and implementing preventive measures. This session will cover:

**IMPROVED SPECIMEN MANAGEMENT**
**DATA COLLECTION**
**TEST REPORTING**
**DATA EXCHANGE**

**CONNECT WITH ZOOM!**  https://us02web.zoom.us/j/87200188402

**JOIN US ON 6 AUGUST 2020, 16:00 TO 17:00 EAST AFRICA TIME**
