Ab study sites:
- Barcelona Institute for Global Health (IS Global, Spain)
- Boston Children’s Hospital (USA)
- Centre Hospitalier Universitaire Vaudois (CHUV, Switzerland) – manual ELISA only
- Liverpool School of Tropical Medicine (LSTM) (UK)
- Ospedale San Raffaele (Italy)
- Washington University in St. Louis (USA)
- Universidade Federal do Rio de Janeiro (Brazil)
- Universidad Peruana Cayetano Heredia (Peru)

Ag study sites:
- Charité – Universitätsmedizin Berlin (Germany)
- Liverpool School of Tropical Medicine (LSTM) (UK)
- Universidade Federal do Rio de Janeiro (Brazil)
- University Hospital Heidelberg (Germany)
- Universidad Peruana Cayetano Heredia (Peru)
- Translational Health Science and Technology Institute (THSTI) (India)

Molecular tests sites:
- University Hospitals of Geneva (HUG) (Switzerland)
- Translational Health Science and Technology Institute (THSTI) (India)
